

Fecha y hora de emisión: 30-11-2025 11:20

Este pronóstico se actualizará cada 6 horas a lo largo del día.

Sabaneta

The forecast is presented as a horizontal timeline. On the left, a map of Mexico highlights the state of Nuevo Laredo in blue. A compass rose indicates North (N). The timeline starts at 12:00 on November 30 with a 'Baja' (Low) cloud cover icon (sun). It continues to 18:00 on November 30 with a 'Media' (Medium) cloud cover icon (cloud with rain). At 00:00, it transitions to December 1, starting with a 'Media' cloud cover icon (cloud with rain) and ending at 12:00 on December 1 with a 'Baja' cloud cover icon (sun). The labels 'Tarde', 'Noche', 'Madrugada', and 'Mañana' are placed above the timeline to indicate the time of day.

Time	Cloud Cover	Intensity
12:00 (Nov 30)	Sun	Baja
18:00 (Nov 30)	Cloud with rain	Media
00:00 (Dec 1)	Cloud with rain	Media
6:00 a.m. (Dec 1)	Sun	Baja
12:00 (Dec 1)	Sun	Baja
